3. Information about the manufacturer and product 2
4. Description of functionality 2

1. Subject matter of the declaration

This customer information is provided in accordance with Article 3 of Regulation (EU) 2023/2854 (Data Act). It serves to provide users with transparent, understandable, and verifiable information about the type, scope, and accessibility of the data generated when using the product.

2. Manufacturer’s declaration

The manufacturer hereby declares that the information provided below regarding the data generated by the product is complete, accurate, and in accordance with the requirements of Article 3 of Regulation (EU) 2023/2854 (EU Data Act).
This declaration is intended for users of the product, business partners, and competent market surveillance and supervisory authorities.
